e-News Flash No.1 November 2006

Dear <Salutation:40> ,

Not so much a newsletter, more a news 'flash', this is this season's first news on behalf of Womens and Girls Rugby in the North West. I hope that you are enjoying your rugby, whatever your role in the game, and you find this newsletter and the associated web site helpful in providing information about rugby here in the North West. If you have any comments or suggestions for the newsletter please let me know, and of course any news item is always welcome.

Best regards.

Regional Development day for the Girls U14 & U17's

North West coaches Martyn Hurlestone Johnson (U17) and Joe Riches (U14) have arranged a player development day this coming Sunday at Tyldesley Rugby Club. I'm sorry this notice goes out at short notice but Martyn & Joe hope that all girls at these age groups across the region will take this opportunity to meet players from Tyldesley, Sandbach, Northwich and Manchester and get some coaching in advance of the formal North West Trials in December. If you know any player that might be interested please forward them this email or ask them to contact Jo at

jo.riches@blueyonder.co.uk.

Coaching will be at 2pm until 4pm and directions to the club are at the Tyldesley Club web site :- www.tyldesleyrufc.co.uk

North West Regional trials will be on Sunday December 3rd at Broughton Park for all age groups including seniors, from 1pm until 4pm. More details will be posted on the North West web site as well as the main RFUW site shortly.

Web site has moved

The Womens Rugby North West Web site now has its own domain name :- www.womensrugby-northwest.org.uk. Please bookmark this new site address and let me know if there is anything you'd like to add to the site to make it more useful or to further promote womens and girls rugby here in the North West.

Club contacts

The club contacts section is being updated at present to include names for local Community Coaches for each borough, so please be patient if your email address or contact details have not been revised.
